

Student – Parent – School Partnership Underwood School District #550

“Inspiring all to achieve their highest potential.”

Effective schools are a result of families and school staff working together to ensure that children are successful in school. A partnership communicates an understanding of home and school responsibilities and will firmly unite us to assure that every student attains high standards and a quality education.

As a student at Underwood School I still strive to

- Come to school prepared with my homework and supplies.
- Work hard to do my best in class.
- Discuss with my parents what I am doing in class.
- Have a positive attitude towards self, others, school, and learning.
- Respect the cultural differences of other students, their families, and staff.
- Work to resolve conflicts peacefully.
