Message from the Principal

Welcome to Underwood Elementary School! As an elementary staff we are committed to providing the highest quality education possible to our students. We utilize a variety of research based instructional strategies to ensure that each student receives a world class education. Our school uses a unique combination of self-contained classrooms in the lower grades and departmentalized classrooms in the upper grades to develop your student's skills and competencies. Teachers work collaboratively and are given systematic feedback to improve instructional outcomes. We pride ourselves in ensuring that the highest level of instruction is provided to all students. At Underwood Elementary your child's education is priority one!

If you ever have any questions, ideas, or concerns, please contact me at the school 218-826-6101 ext 105 or email me at jhamann@underwood.k12.mn.us

School Hours

Daily school hours are from 8:25 am to 3:05 pm. Students should not be in the building prior to buses arriving or after school, unless supervised. Students who must arrive at school early need to stay in the commons area until school starts or become involved with the walking program.

Meals

Breakfast is served from 8:00 am to 8:25 am daily. Student lunch bills will be sent out regularly, usually once per month. For those students whose lunch accounts exceed the \$30.00 charging limit, meals will be limited to a sandwich and milk. At no time shall a student use another student's PIN number to pay for a breakfast or lunch.

Kindergarten

To be eligible for kindergarten, children must be five (5) years old on or before September 1st. Birth certificates are required as proof of date of birth. Registration is started in the Spring and completed in August during the regular registration dates and the first day of school.

Pledge to the Flag

The school district will instruct students in the proper etiquette toward, correct display of, and respect for the flag. The students shall recite the Pledge one or more times a week.

Noon Recess

All students will be going outside during the noon hour recess whenever the weather permits, unless they have a written excuse from their doctor or their parent/guardian. The general rule that will be used is that if the wind chill is warmer than zero (0) degrees the students will be going outside. Students must wear indoor gym shoes whenever they are playing in the gym to preserve the gym floors. These shoes need to be kept in their lockers for use in the gym only. Students without gym shoes will not be allowed to participate.

Accidents

Any accident or injury that occurs while the students are under the supervision of the school shall be reported immediately to the teacher/person in charge. Parents/guardians will be notified as soon as possible if necessary, and appropriate forms will be completed.

School Visitations

Occasionally we have requests by pupils to bring other children, relatives, or a preschool brother or sister, to visit school. We discourage these types of visits during the normal school day unless it is deemed educational by school personnel.

Milk Break

Milk breaks are offered in some elementary classes for those who wish to participate. There is a charge for daily milk. Nutritious snacks from home are allowed at this time.

Pupil Transportation

New Minnesota State Legislation requires the following:

- that students in grades K-6 receive school bus safety training by the third week of school
- students K-3 to receive school bus safety training twice during the school year.
- the review of bus evacuation drills for students in grades K-10
- that students in grades 9 and 10 in drivers training be taught laws concerning school bus extended stop arm.
- that students in grades 7-10 receive school bus safety if they have done so prior to enrolling in Underwood Schools.

Conferences/Testing/Grading

Scheduled parent/teacher conferences are held in the fall and spring of each school year.

If parents wish to meet with teachers, principal, or other staff members regarding their child's progress at other times, they may contact them at the school to make an appointment. Grading is done on a trimester system. Report cards will either be passed out at parent/teacher conferences or will be mailed out.

Storm Day Policies

The decision to close school is made by the superintendent. If buses start one hour late, school will start at 9:25 a.m. if two hours late, 10:25. Buses will travel on passable roads only. All school announcements concerning changes in school hours, school closing, and busing schedules will be sent via School Reach to the phone number that you have provided the school. Please keep the school informed about changes to phone numbers or preferences on numbers to call.

Announcements can also be found on the following:

Lakes Radio 103.3 FM, 96.5 FM, 99.5 FM, 1250 AM, and 1020 AM

Wild Country Radio 104.1 FM, 1340 AM

Fargo TV Channels KXJB 4 and WDAY 6

Underwood Public School Discipline Policy

Expected Behaviors at Underwood Public School

Each of your teachers will discuss and explain their expectations for you in their classroom. We feel that the higher our expectations, the greater the opportunity for you to be successful. This involves both expectations of behavior and expectations of learning and growing as a student and a person. We expect to have an educational environment for all our students. We expect all our students to feel safe, cared about, and aware that as a school

and as teachers, we have no greater concern than your welfare as a student and as a person. The following general guidelines will help insure that our school can best function to the advantage of all students and staff.

1. Read and know the Handbook
2. Be present and on time in classes daily.
3. Be prepared for class by bringing all required materials to class; books, paper, pencils, gym clothes, etc.
4. Be attentive to class activities.
5. Participate in your classes.
6. Make an effort every day to be successful.
7. Show respect; do not engage in activities that disturb learning opportunities for others.
8. Follow the directions of teachers and other adults.
9. Help keep the classrooms and the school neat.
10. Take care of school property.
11. Know the laws of our Nation, State, and Community, and follow them.
12. Respect yourself and be proud to be a Rocket!
13. Be serious about school while you enjoy yourself and have fun, but never at the expense of others.

School rules are put in place to allow our students the freedom to seek and gain an education, an education that will give each of us, in turn, the freedom to pursue the kind of life that will fulfill each of us and make us happy. Most school rules are nothing more than the logical extension of our National, State, and Community laws. In some cases, we have special rules; rules that are put in place to provide a safe, orderly, and academic environment for our students and adult staff. Students need to respect and support the bottom line--the rules that protect us from improper, unacceptable, or intolerable behavior. School rules and disciplinary consequences apply to the "school day"; this includes busing and school events.

Dress Code

Students at Underwood Public School are expected to maintain a positive and constructive image of themselves and of the school. The school environment should be a place conducive to learning. Therefore, the attire of the students in the building should be respectful, modest, non-offensive to others, and promote an atmosphere for learning to occur. The following dress code rules must be adhered to or student will be subjective to corrective action and consequences, including detention, loss of privileges, and/or suspension. Students may be asked to use alternative clothing for the remainder of the day. The school administration reserves the right to determine what is appropriate and what is not.

- Use good taste and reasonable judgment.
- No alcohol, tobacco, drug logos.
- No profane, offensive, or sexually suggestive clothing.
- No undergarments showing (e.g. bra straps, underwear, boxer, etc.) at any time whether sitting, standing, or walking during the day or at school-related events.
- The midriff should be covered.
- No crack, front or back
- Shorts should be long enough, within a few(6-8) inches of the knee.
- No bulky coats or jackets in the building.

- No hats, caps, or hoods in the building (except on specially approved days). Keep them in your locker during the school day. Hats will be confiscated and available to pick up in the office at the end of the day.
- No sunglasses in the building.
- No heavy chains on belt loops, etc.
- No backpacks in class. Keep them in your locker.
- * No ear buds, head phones,
- Gym clothes should fit appropriately (e.g. not too tight, not too loose). No tank tops in phy-ed.
- On occasion, special attire/dress up days may be requested by student council with approval from administration.

Cell Phones

It is required that all students have their cell phones and/or other electronic devices turned off during class time. Absolutely no cell phones will be allowed in the locker rooms. All personal audio devices should be used before school, during lunch time, or after school. The devices are never to be used during class time. If the cell phone or other equipment is seen or heard, the teacher may confiscate the device and turn it into the principal. The student will receive the phone at the end of the school day. If/when the device is seen or heard again, the teacher will turn it over to the principal, the parents will be contacted, and the phone or other piece of technology will be kept until the parents can come and pick it up. A repeat of this behavior may result in suspension.

Ear Buds/Headphones

With student safety our number one concern, earbuds and headphones will not be allowed during regular school hours, unless as part of a classroom project.

THE LEVEL SYSTEM - When corrective actions taken by the classroom teacher have failed or the rule infraction is of serious nature, the incident shall be referred to a principal or dean of students for investigation and action. The severity of the consequences applied by the principal/dean of students depends on two factors: 1) the seriousness of the offense, 2) the previous disciplinary record of the student. In an effort to take both into account, a progression of consequences (the level system) has been adopted. A student who is referred for violating a rule contained within this code will receive the consequence that corresponds to the entry level for that offense. With each successive referral the student will be advanced up the level system at least one level up depending upon the seriousness of the infraction. The disciplinary consequences for each level are as follows, and in accordance with Pupil Fair Discipline Act:

Level 1: Referral to dean of students for conference. Incident recorded on the student record. Written notification to parent (at discretion of dean of students). Incidents at each level will be recorded on the discipline record.

Level 2: Dean of Students conference - one period of detention. Parents notified in person, by phone or written notice.

Level 3: Dean of Students - two periods of detention. Parents notified in person, by phone or written notice.

Level 4: One – Two (1-2) day of suspension(in or out). Parents notified in person, by phone or written notice by the Dean of Students

Level 5: Three – Five (3-5) days of suspension(in or out). Parents notified in person, by phone or written notice. Conference may be requested by the Dean of Students

Level 6: Five – Ten (5-10) days of suspension (in or out of school depending on the nature of the offense). Conference with parents.

Level 7: Expulsion hearing before Board of Ed. or an Administrative Conference of Superintendent, Principal, School Psychologist and teachers.

PROVISIONS FOR THE USE OF THE LEVEL SYSTEM

1. A disciplinary file will be initiated for each student referred to the dean of students and/or principal. A record of each violation, as well as the level assigned, will be maintained.
2. After a student has been placed on a level, the next infraction will result in the student being advanced to the next level. A level may be "jumped" if the infraction calls for a higher entry level. For example, a student who is on level 1 and commits a level 4 violation will be advanced to level 5. Normally, a student will be advanced up the level system with each successive violation; however, the principal may exercise discretion as to whether a student should be advanced for a minor violation.
3. The principal or dean of students shall be responsible for seeking the assistance of counselors, teacher advisors, social workers, Student Support Team, and other professionals to help students correct their behavior problems.
4. Students failing to fulfill the disciplinary requirements of a level in the time prescribed will automatically move up to the next level. i.e. One missed detention = 2 detentions.

SUSPENSION PROCEDURES

1. While serving in-school suspension, a student will be assigned to a designated area. Except when the infraction is serious enough to warrant a level six consequence, or when the student's presence in the building poses a threat to the health and safety of the other students, staff or the operation of the school. Students assigned to in-school suspension will be required to collect assignments from their teachers and complete all work assigned to them. All assignments must be completed before the student is allowed to return to that class. All other rules pertaining to conduct in designated area are applicable.
2. No suspension from school shall be imposed without an informal administrative conference with the pupil, except where it appears that the pupil will create an immediate and substantial danger to him/herself or to property around the student.
3. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony will be mailed to the parent. A conference may be required in certain circumstances.

Students absent from school the day of their detention will be responsible for make up their detention the day they return to school. Parents are responsible to pick their child up from school the day of detention. Any form of electronic device is prohibited during detention unless specifically needed to complete an assignment. There is to be no contact, verbal or non-verbal, during detention, unless it is with the staff personnel in charge. Any breach of this policy may warrant addition consequences.

SUSPENSION - Suspension is earned and assigned for students that choose to violate school rules or policy, misbehave, or choose to not fulfill obligations of detention. Suspension can be in-school or out of school at the discretion of the administration. Suspensions do not count against the school's attendance policy. Lunch deliveries to students on ISS are not permitted. Students on ISS should bring a lunch or eat the school's hot lunch. Students absent from school the day of their detention will be responsible for make up their suspension the day they return to school. Any form of electronic device is prohibited during suspension unless specifically needed to complete an assignment. There is to be no contact, verbal or non-verbal, during detention, unless it is with the staff personnel in charge. Any breach of this policy may warrant addition consequences.

Attendance Policy

Purpose

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance and is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent/guardian, teachers, and administrators. This policy will assist students in attending class regularly.
- C. In addition, parents and students must be aware that Underwood High School is held responsible under the No Child Left Behind Act for our attendance and graduation rate.

General Statement of Policy - Responsibilities

1. Student's Responsibility

It is the student's right to be in school. It is the student's responsibility to attend all assigned classes every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student's responsibility to request and complete any missed assignments due to an absence.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is the teacher's responsibility to provide any

student who has been absent with any missed assignment upon request. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

4. Administrator's Responsibility

It is the administrator's responsibility to require students to attend all assigned classes. It is also the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance and to prepare a list of the previous day's absences stating the status of each. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

Excused Absences

To be considered an excused absence, the student's parent or legal guardian will need to provide, in writing or phone call, the reason for the student's absence from school. The following reasons are valid and should be used by parents and students as guidelines:

1. Illness of the student – Absences of 3 or more consecutive days ill will not be considered excused without a note from a doctor
2. Serious illness or death of a member of the student's immediate family. Immediate family includes parents, siblings, and grandparents
3. Serious illness or death of a member of the student's family or close family friend
4. Medical, dental, driving tests, court, and counselor appointments
5. School sponsored activities
6. Post Secondary Visits, which have been Pre-Approved by the office
7. Work to help parents only when necessary, as long as the student has a good attendance record. Administration reserves the right to determine what "good attendance" is.
8. Severe weather conditions, according to the merits of the case
9. Family Vacations
10. Religious Instruction

***For all pre-planned absences, especially family vacations and school sponsored activities, all school work should be turned in prior to the absences. Please make arrangements with the teacher(s).

****All slips must be turned in to the school office within 4 school days of the appointment. The student's name, date and time of appointment, and location are required. Slips turned in afterward will no longer be accepted.

*****Excused absences do not necessarily excuse students from the Multiple Absences Attendance Policy (see below)

Unexcused Absences

Although unexcused absenteeism is at the discretion of the Appeals Committee, the following reasons are not valid reasons to miss school and should be used by parents and students as guidelines:

1. Truancy – skipping school or leaving the building without authorization.
2. Tardiness of more than 15 minutes of a grade 7-12 class period. Students that sign in to the office prior to the 15 minutes will be counted tardy. Anything more than 15 will be considered unexcused.
3. Tardiness of more than half of the morning in elementary. Anything more than half will be considered unexcused. It is important for parents to know that most of the core instruction (math and reading) occurs in the morning.
4. Oversleeping or resting. This includes days after returning from any excused or unexcused absence.
5. Missing the school bus.
6. Absences not communicated to the school by a parent/guardian by the end of the school day.

***Repeated truancy may result in loss of credit for missed class(es). Six or more unexcused or a combination of 11 excused/unexcused absences per semester in any class are grounds for loss of credit. Also, repeated truancy is grounds for considering expulsion, referral for alternative learning programs, and/or make-up time for credit recovery to meet graduation requirements.

Truancy and Unexcused Absences

Absences from school without parent, guardian, or school permission are considered truancy. The violation will result in the assignment of detention or suspension. When a student reaches seven (7) unexcused absences, students under the age of 18 will be reported to the Otter Tail County Attorneys and Otter Tail County Family Services. Students under the age of 18 will be classified as being Habitually Truant unless lawfully withdrawn from school.

Field Trips/Class Trips – If a student/parent voluntarily chooses to not attend a field trip, the student is still expected to attend school during the duration of the field trip. If a child is absent, he or she will be given an unexcused absence(s) and may place their grades/eligibility in jeopardy, under the Multiply Absences – Attendance Policy below. Repeated truancy may result in loss of trip privilege. Six or more unexcused or a combination of 11 excused/unexcused absences per semester are grounds to deny eligibility for class trips. For any field trip related to a particular class, students must be enrolled in the Underwood School District to be eligible.

A winter activity day, tied to phy-ed, health, and/or academic curriculum will be planned for students who meet eligibility requirements which include, but are not limited to academics, attendance, and behavior expectations.

Multiple Absences – Attendance Policy

If a student misses a class more than five (5) times per semester for any reason other than excused absences, as defined on page 13, the student will face a reduction in her/his semester grade. The semester grade will be reduced by one-third of a mark (i.e.: B to B-, B- to C+, etc.) for every absence over the five (5) per semester. The office will reduce the grade and inform the classroom teacher of the change. Example: A student may receive a B+ in a class, but due to six absences, one above the limit, the grade would be reduced to a B.

Semester grades may be reinstated at the end of the year if total unexcused absences for the year do not exceed 10.

Tardies – Grade 7-12

Students are expected to be in class when the hour begins. Promptness and time management are important components to an education. To help create a climate of punctuality and help each teacher better manage their classes, Underwood Public School employs the following tardy policy:

- For the fourth (4) tardy in any one class (for instance 4 tardies in period 1) a period of detention will be assigned. Each subsequent tardy in that class will result in an additional period of detention. If a student's tardiness continues, further consequences may result
- If a student has ten (10) or more tardies in a class per semester, the student will face a reduction in his/her semester grade. The semester grade will be reduced by one-third of a mark (i.e. B to B-, B- to C+, etc.) for every tardy over the ten (10) per semester. The office will reduce the grade and inform the classroom teacher of the change. Example: A student may receive a B+ in a class, but due to the excessive number of individual tardies, the grade would be reduced to a B.
- Students that are in class or have signed in the office within 15 minutes of the start of the class are considered tardy. Otherwise it will count as an unexcused absence.
- Students requesting make-up slips after class has started will be counted tardy by the office.
- Students coming to school following a partial day illness must be on time for their next class. It will be counted as a tardy if the student is late for the start of class.

Make-Up Slips

- Students who have been absent must have their parents/guardians call the school the day they are absent.
- All students are required to obtain a make-up slip from the office or be marked tardy.
- Presenting the office with a fake or forged note will result in detention or suspension.
- Students and Parents are reminded that although a parent note gives a reason for the absence, it may still be considered an unexcused absence.

Leaving the School Building

Students who need to leave the school any time during the course of the school day must secure permission from the principal or his designate. When leaving the building, parents/guardians/students must complete the following:

1. A parent/guardian must notify the school the student is to leave.
2. The student is responsible for getting a white slip to leave class and the building
3. The student or the parent/guardian must "sign out" in the High School Office
4. The student is responsible for attaining and turning in any verification needed
5. Students must return to school in timely manner to class
6. The student or the parent/guardian must "sign in" in the High School Office

Attendance Appeal Process

1. A student may use an appeal process at the end of each semester if the student has more than five absences.
2. The student and/or parent/guardian must submit a written request for appeal to the school office within five days of the designated date for the committee to hear the appeal.
3. The student may provide a written excuse from a medical facility as a part of the appeal process.
4. The locally-appointment appeals committee, consisting of one school board member, one administrator, one attendance secretary, and two classroom teachers, will review the appeal and the appeal will be permitted or denied. The student or parent/guardian may appeal the decision to the Supt. of Schools and request a meeting. The Superintendent will review the situation and issue a final decision.

Extracurricular and Co-Curricular Participation (Attendance the day of the event)

The student must be present for the full day in order to participate in an event or practice. **STUDENTS MUST ARRIVE AT SCHOOL and IN CLASS AT THE BEGINNING OF 1ST PERIOD.** If the student is late or misses class, the student must come with an excuse from the attending physician or dentist. In the event of an unexcused tardy, school administration will look at attendance history for a pattern of 3 or more absences/tardies within the given semester. Administration reserves the right to deny or allow participation in the extra/co-curricular event based on this history and pattern of behavior. Any student suspended out of school or removed from class (i.e. in-school suspension or for a reason not following the discipline policy) will not be allowed to attend extracurricular or co-curricular activities the day of each suspension/removal. In case of emergency situations or special specific circumstances, student participation will be considered by the administration. Please call the school if an emergency arises.

Homework Policy and Make-Up Work

All work is to be handed in on time according to the assigned due date from the teacher. Any instructional days missed do not allow a student to receive the education needed. Any missed assignments will directly affect their grade and, the student may receive additional consequences for the unexcused absence(s).

- **Excused Absences:** Students who have been absent from school have one day for every day that they are gone to make up daily work or tests assigned while the student was absent. An assignment not turned in by the end of the allotted time will then follow the teacher's Late Work policy.

- **Unexcused Absences/Tardies:** Work assigned on days where an unexcused absence occurs will follow the teacher's Late Work policy
- **In School Suspension, Suspension, and Removal from Class:** Underwood Public School feels strongly about the loss of education occurred during a suspension or removal from class. Students faced with these consequences will be responsible to learn and complete all class assignments and materials instructed during the time of removal/suspension. Student who are given ISS or removed from class for discipline related reasons will use school time to complete work, while OSS students will be given two days following re-admittance to have all work completed and turned in. It will be the student's responsibility to gather educational material for each class missed.

Additional Notes to Homework Policy:

- In the cases of both excused and unexcused absences, the teacher may assign different or additional materials to cover the material missed during the absence. Students who receive assignments from the teachers prior to an extended absence may be required to turn in these assignments upon their return or at a date specified by the teacher.
- Assignments made while students are in attendance will be turned in on time. Example: if an assignment is made on Wednesday for Monday, and the student is absent on Friday, the assignment is still due on Monday. If a student has an excused absence on the day an assignment is due, the assignment must be turned in the next day; unexcused absences will follow Late Work policy.
- Students are expected to know any material instructed during any form of absences which may appear on a future test or quiz.
- If a student knows of an absence before it occurs (i.e. – vacations, family trips), it is in the child's best interest to collect all materials from the teacher(s) and complete work before absences occur.

Transportation Safety Rules

Underwood Student Transportation/Bus Discipline

Students who ride the school bus may do so as long as they display safe and reasonable behavior. Choosing and/or continuing to follow unacceptable behavior will result in loss of bus service.

The bus driver is responsible for the safety of the students on the bus. The school administrator, in accordance to this policy, will determine consequences of misbehavior and the reinstatement of bus service for the offending students should a suspension become necessary.

No animals, any other dangerous, or objectionable nature items will be transported in the school bus when children are being transported.

Band instruments that will be allowed on the bus are those that are small enough to be held in the student's lap. Instruments may not be in aisle or take the space of a student if that space is needed to sit down. Damage to personal items is not covered by the school bus insurance coverage.

Bus Riding Rules

- Obey the bus driver at all times. Bus drivers are authorized to assign seats.
- Be courteous, no profanity.
- Eating or drinking on the bus is a privilege, Students need to clean up their mess
- Do not throw objects or litter on the bus.
- Cooperate with the driver.
- Stay in your seat, face front, and keep the aisle clear.
- Do not be destructive.

- W applies to all buses.
- The responsibility for student supervision by the school shall begin when the student boards the bus in the morning and is retained until the child leaves the bus at the end of the day.
- *Riding the school bus is a privilege not a right, and as in such may be revoked for safety and discipline infractions.*
- The school bus ride is an extension of the school day and is as such subject to all school policies and procedures. Bus conduct reports will be recorded in accordance with all other school record keeping procedures.
- Transporting of School Related/Non-related Items
- Windows are to be opened only with driver's permission.
- Keep head, hands, and feet inside the bus.
- Do not throw objects out the window.
- Talk quietly, no loud outbursts.
- Students will always cross in front of the bus when loading and unloading, after the bus driver's signal.
- Students must have a bus pass from the school office/parent to ride a different bus or leave the bus at a different stop.

Behavior Guidelines - Each infraction of Class I and II offenses shall be reported by the driver to the Dean of Students.

Class I Offenses

- Out of seat while bus is in motion.

- Tampering with any portion of bus or equipment on bus.
- Riding of any bus after being suspended from one.
- Fighting (of any kind) treated as Class II 3rd offense.
- Other Offense committed on any bus outside regular transportation to and from school (shuttles, activity, field trip) will carry a minimum penalty of a Class II 1st offense

Class II Consequences (Grades k -12)*

- First Offense - 3 to 5-day suspension from bus.
- Second Offense - 5 to 10-day suspension from the bus.
- Third Offense - 10-day suspension from bus.
- Fourth Offense - Loss of bus services.

All assigned consequences subject to review of administration.

*Severe Class II offenses are subject to In-School-Suspension, Home Suspension, Alternative Correctional Education Placement and/or Juvenile Complaint.

County-wide Attendance Policy

The Otter Tail County Collaborative attendance policy will be adhered to. A copy of this policy can be found in the principal’s office.

Class Parties

Parties are under the direction of the classroom teachers. Fees to defray costs of the parties may be assessed through the 15 dollars gathered at the beginning of the year. .

Reasonable Force

Allows the use of reasonable force by a teacher, school employee, bus driver, or other agent of a school district when it is necessary under the circumstances to restrain a student or prevent bodily harm or death to another. This does not authorize corporal punishment, which is prohibited by M.S. 121A.58, nor aversive and deprivation procedures, which are prohibited by M.S. 121A.67.

Conduct at School Functions

Children in grades K-3 are asked to sit with their parents / guardians or older brother or sister. Children in the upper grades should conduct themselves in such a manner so as to not create problems or infringe on the rights of others. Except in an emergency, elementary students should not go to the lavatory or to the concession stand while the game is in progress. Children should be seated on the bleachers and not run back and forth in the halls, under the bleachers, on the stage, or on the playing floor.

Religious, Racial and Sexual Harassment and Violence

It is the policy of the Underwood School District to maintain a learning and working environment that is free from religious, racial and sexual harassment and violence. It shall be a violation of this policy for any student or employee of District 550 to harass a student or an employee through conduct or communications of a religious, racial or sexual nature as defined by the policy. It is also a violation of this policy for any student or employee of District 550 to harass another student or staff member because of religion, race or sexual orientation. It is also a violation for a staff member or student to be violent with another student or employee.

Harassment is in the "eye of the beholder". The "eye of the beholder" means that harassment is different for different people, that everyone has a different point of view. What matters is what the victim thinks/feels, not what the harasser thinks. There can be a primary and secondary victim of harassment. The primary victim is the one receiving the harassment and the secondary victim is someone seeing someone else being harassed. The report forms are available in the counseling office and administrative offices. For a complete copy of this policy, please contact the superintendent's office. (MSBA 413)

Hazing

All students in the Underwood School have the right to a safe learning environment which is free from intimidation, ostracism, humiliation, or mental stress. Hazing activities of any type are inconsistent with the educational goals of the Underwood School. The definition of "Hazing" means committing an act against a student, or coercing an act that creates a substantial risk of physical harm or that threatens the student with ostracism, humiliation, or mental stress. Reports of hazing should be made to the Principal. Upon the receipt of a complaint, the school district shall undertake an investigation and the guilty person(s) will be dealt with accordingly, which may mean suspension, expulsion, or the case being turned over to the legal authorities.

Bullying

“Bullying” means intimidating, threatening, abusive, or harming conduct that is objectively offensive and:

1. an actual and perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct, and the conduct is repeated or forms a pattern; or
2. materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. (The entire policy may be found in the Supt. Office)

Annual Notification of Rights, Protection and Privacy of Student Records

Pursuant to the requirements of the School District regarding the requirements of federal law, the following constitutes the School District's Annual Notification to parents / guardians and students regarding data privacy practices of the school district. The school district has adopted a Student Record Policy incorporating state and federal requirements as to the data privacy rights in student educational records. In summary the policy and accompanying regulations provides:

1. Privacy Rights

Educational records which identify or could be used to identify a student, other than directory information, may not be released to members of the public without the written permission of the student's parent or guardian. This general rule is subject to specific and limited exceptions which cannot be set out here due to limitations of space but which are set out in the complete policy.

2. Directory Information Includes the Following:

Student's name

Student's address

Student's telephone number

Date and place of birth

Names of student's parents or guardians

Participation in officially recognized activities

Grade levels completed

Weight and height of members of athletic teams

Dates of attendance

Degrees, honors, and awards received

The previous educational institution attended

Photo of student

Directory information may be released to the public without prior parent / guardian or student consent unless the parent / guardian or student, if the student is 18 or older, has objected in writing to the release of one or more categories of such information.

3. Inspection of records

Parents / guardians of a student who is 18 or older may request to inspect and review any of the student's educational records except those which are, by state and federal law, made confidential. The school district will

comply with the request within five working days. In certain special circumstances an additional five working days may be required in order to comply. Copies of records may be obtained at a reasonable fee as established by the school district.

4. Challenge to Accuracy of Records

A parent / guardian or student, age 18 or older, who believes that specific information in the student's educational records is inaccurate, misleading, incomplete, or violates the privacy or other rights of the student, may request that the school district amend the record in question.

If the Building Principal or Director of Special Education, within a period of 30 calendar days, declines to amend the record as requested, the parent / guardian or student who is 18 or older will be advised in writing of their right to request and obtain a review of the request with the Superintendent/School Board.

If, as a result of this review, it is determined that the challenged record is not inaccurate, misleading, incomplete, or in violation of the privacy or other rights of the student, the parent / guardian or student of age 18 or older will be notified of their rights to place a statement with the record, commenting upon it, and setting out any reason for disagreeing with the decision of the school district.

The decision of the Superintendent/School Board is the final decision of the school district and may be appealed under the provisions of the State Administrative Act, Minnesota Statute C 15, relating to contested cases.

5. Transfer of Records to Other Schools

The School District forwards educational records of students to other schools and school districts in which a student seeks or intends to enroll upon request of that school or school district. A parent / guardian or student who is 18 years of age may request and receive a copy of records which are transferred and may, pursuant to this policy, challenge the accuracy of the records.

The District does, however, notify parents / guardians or students of age 18 or older of such a transfer.

6. Complaints for Non-compliance

Parents / guardians or students of 18 years of age or older who feel there has been a violation of the rights accorded them may submit written complaints to the Family Education Rights and Privacy Act Office, U.S. Department of Education, Washington, D.C. 20201

This review of the data privacy rights of students and parents / guardians in the educational records maintained by the School District is intended only to be a summary of the provisions of the "Protection and Privacy of Student Records" and applicable state and federal law.

Requests for copies of this policy and questions should be addressed to:

Jeremiah Olson, Superintendent
100 Southern Ave East
Underwood, MN 56586

Underwood Legal Notices

Underwood ISD #550 adheres to the belief that all vocational opportunities will be offered regardless of race, color, national origin, gender, or disability. Derrick Nelson serves as the Title IX coordinator and Anne Stenoien serves as the Section 504 coordinator.

Employee/Volunteer Background Check

The Underwood School conducts background checks on all employees and other individuals who provide services to the school

Pesticide Application at School

During the school year parents/guardians will be notified prior to the application of any pesticides.

This document provides basic information to help parents/guardians make informed decisions that benefit their children, schools and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our children with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student’s achievement, but your student’s participation is important to understand how effectively the education at your student’s school is aligned to the academic standards.

- Students who do not participate will receive a score of “not proficient.”
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.

Academic Standards and Assessments

What are academic standards?

The *Minnesota K–12 Academic Standards* are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

<p>Minnesota Comprehensive Assessment (MCA) and Minnesota Test of Academic Skills (MTAS)</p> <ul style="list-style-type: none"> • Based on the Minnesota Academic Standards; given annually in grades 3-8 and in high school in reading and mathematics; given annually in grades 5, 8 and in high school for science. • Majority of students take the MCA. • MTAS is an option for students with the most significant cognitive disabilities. 	<p>ACCESS and Alternate ACCESS for English Learners</p> <ul style="list-style-type: none"> • Based on the WIDA English Language Development Standards. • Given annually to English learners in grades K–12 in reading, writing, listening and speaking. • Majority of English learners take ACCESS for ELLs. • Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.
--	---

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The reading and mathematics MCAs are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Because test content represents the academic standards as completely as possible, preparing for and taking the assessments uses the very same knowledge, processes and strategies included in the standards.

Are there limits on local testing?

As stated in 120B.301, for students in grades 1-6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7-12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is less than 1 percent of instructional time in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.state.mn.us) (education.state.mn.us > Students and Families > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required each year parents/guardians wish to opt the student out of statewide assessments.
